The renter will forfeit \$100 of their security deposit should the premises be littered with cigarette butts after the rental. Please make sure all guests comply with cigarette butt disposal rules.

NOISE ORDINANCE

Quiet time begins at 10:00 PM. 'Plainly audible' means any sound that can be detected by a person using his or her unaided hearing faculties. As an example, if the sound source under investigation is a portable or personal vehicular sound amplification or reproduction device, the detection of the rhythmic bass component is sufficient to verify plainly audible sound. The noise control officer need not determine the title, specific words, or the artist performing the song.

Between 7:00 AM and 10:00 PM, impulsive sound shall not equal or exceed 80 decibels.

Between 10:00 PM and 7 AM, impulsive sound which occurs less than four times in an hour shall not equal or exceed 80 decibels. Impulsive sound which repeats four or more times in any hour shall be measured as impulsive sound and shall meet the requirements of the Denville Ordinance.

For complete noise ordinance info, visit <http://www.nonoise.org/lawlib/cities/nj/denville.htm>.

TRASH /RECYCLE

Trash must be placed into the outside dumpster. Dumpster gate must be closed and latched properly after trash disposal. Failure to do so could cause a fine of up to \$1000 should a bear rummage in the dumpster. If such an occurrence should happen due to carelessness on the renter's part, the renter will be held responsible for any resulting fine.

A Recycle dumpster is provided for mixed recyclables. Please place your items directly in the dumpster, no plastic bags please.
